O R D E R

On June 27, 1984, Cincinnati Bell Telephone ("CBT") filed proposed tariff sheets dealing with regulated equipment currently for sale and eliminating from its existing tariffs all sale items no longer available from the regulated embedded inventory or in Accounts 231 or 234.

The proposed tariff would also establish provisions for the sale of complete regulated embedded Customer Premises Equipment Communications systems or portions of such systems to its customers.

On June 13, 1984, the Commission suspended the proposed tariff sheets for further investigation.

The Commission is of the opinion and finds that the tariff changes and deletions as indicated in the proposed tariffs are fair, just and reasonable.

IT IS THEREFORE ORDERED that the tariff sheets filed by CBT with this Commission on June 27, 1984, be and they hereby are approved as of the date of this Order.

Done at Frankfort, Kentucky, this 19th day of October, 1984.
